Fr. John M. Lefko Given New Post At St. Joseph's

The Rev. John M. Lefko, for 15 years associated with St. John the Baptist parish, Whiting, Ind., eight of those years as pastor, has been appointed to a post at St. Joseph's College.

In his new assignment Father Lefko will be director of the St. Joseph's College Foundation, a newly-created position involving public relations work. He has been succeeded as pastor by the Rev. Gabriel Brenkus, C.P.P.S., an Alumnus of St. Joseph's College and a veteran priest in the mission field.

While pastor at St. John's, Father Lefko took an active part in civic affairs of Hammond and Whiting. He was also active in fraternal affairs, having served last year as chaplain of the Whiting Knights of Columbus.

Father Lefko served on the City of Hammond Planning Commission for two years, recently resigning the post because of the press of his priestly duties.

It was through his original idea that the National Catholic Building Convention and Exposition was held in Chicago for two consecutive years.

St. John's was Father Lefko's first assignment after his ordination to the priesthood in May of 1938. He was brought up in the rough and tumble existence of New York's Lower East Side, and it was there that he celebrated his first Solemn High Mass.

While he was an assistant at St. John's, he directed the choir and was moderator of both the Drama Club and the Senior Daughters of Mary. During this time he also studied administrative education at Indiana University.

When the Rev. John Kostik left St. John's in 1945, Father Lefko was appointed pastor. Within the short space of eight years he was to leave in his trail a host of spiritual and temporal accomplishments.

Of paramount importance is the million dollar St. John School and Parochial Center with its penthouse convent. Ground for the new building was broken in July of 1948. The school was dedicated and made ready for occupancy on March 5, 1950. The convent was completed by May of 1951.

Magazine Features Proposed Residences

St. Joseph's College was the subject of a six-page feature in the July edition of "Living for Young Homemakers," a magazine of national circulation.

The story gave detailed plans and sketches of a complete housing project for St. Joseph's lay faculty. Conceived and drawn by the magazine's editor of architecture, Alexander Knowlton, the plans would include 12 houses, built on the same design but permitting great individuality in exterior color and appearance.

Father Hartman Dies At Age Seventy-five

The Rev. Sylvester J. Hartman, C.P.P.S., '02, for 40 years a well-known and well-loved professor of philosophy and classical languages at St. Joseph's College, died July 23 at St. Charles Seminary, Carthage, Ohio. He was

75 years old last Dec. 31.

Funeral services were conducted at the seminary July 27, with burial in the seminary cemetery.

Father Hartman, a native of Bavaria, Germany, attended primary school in his home town of Altdorf. Coming to the United

Hammond Organ, Fathers Club Gift, To Open New Year

Among the new facilities at St. Joseph's, ready for the opening of school next month, is the concert model Hammond Electric Organ in the auditorium, donated last spring by the St. Joseph's College Fathers Club.

The organ, designed especially for auditorium use and costing \$3,780, has such varied possibilities that it is expected to find a place in almost every program held in the college auditorium.

Special grills covering the balcony organ chambers were designed by the Hammond Organ Company and constructed by Alfred Hentschel of the College construction staff.

This valuable gift is only one of the many ways in which the Fathers Club has aided the college since its organization two years ago. Outstanding among its accomplishments was the renovation of Gaspar Hall, which changed one of the oldest buildings on the campus into one of the most

New Record Is Foreseen In St. Joe's Enrollment

September's enrollment at St. Joseph's College will reach a record high if the present trend in the number of applications and acceptances continues, the Rev. Charles J. Robbins, registrar, has announced.

As of the end of July, a total of 537 students had been accepted. Of these, 266 have never before attended St. Joseph's. Of this latter group, 32 are seminarians in the Society of the Precious Blood recently arrived from Brunnerdale Seminary, Canton, Ohio.

Last year's first-semester total was 516, of which 66 were seminarians.

Enrollment at St. Joseph's reached its highest level in September, 1947, when students on the G. I. Bill of Rights helped swell the college total to 601. At that time, when the academy was in operation, 40 students of high-school age brought the grand total to 641. The academy was discontinued in 1948.

In addition to the 503 already accepted for the coming semester, 109 applications are still to be considered by the Committee on Admissions, Father Robbins said.

Indicating that the trend in applications compares favorably with that of last summer, Father Robbins said that 30 applications were received during the first 15 days of July this year as compared with 31 for the same period in 1952.

Throughout all of July, 1952, 54 applications for admission were submitted; 54 were submitted in

News Views Originate at St. Joe's

Cameras clicked all afternoon at St. Joe's on Aug. 5, as big-time newspapers and newsreel photographers took their year's supply of Chicago Bear pictures. Bears and newsmen were guests of the college for dinner that day, commemorating the tenth year of summer training here. Armed Forces photographers were also on hand, with a select group of combatmen, to take publicity shots in preparation for the big Armed Forces Benefit Game Sept. 11 in Soldier's Field. The accompanying photographs show a few of the camera artists hard at work, posing Bears and soldiers for group and action shots.

Alterations Provide Increased Housing

Prospects for a high 1953-'54 enrollment at St. Joseph's have necessitated the preparation of added housing facilities on the campus.

Two dormitories are being added on the third floor of Science hall in rooms formerly occupied by the Reading and Study clinic and by the Columbian Players, the college dramatics society. The latter room was at one time a library reading room.

The Reading clinic will be moved to a classroom on the second floor of the building, and the Study clinic will be housed on the third floor of the south wing of Science hall, in the area formerly used for mechanical drawing classes.

A third dormitory is being prepared on the first floor of Science hall in the large room formerly used as a study hall. The adjoining room has been converted into a study area.

The dormitory on the ground floor has been converted into a lounge for students residing in Science hall. Washroom and shower facilities in the building are also being expanded.

In the future, Science hall residents will observe the evening study period in the library.

Another summer project is the renovating of the residence of the Luc Delvaux family, just west of the campus proper, for student use.

Condolence

The faculty and students of St. Joseph's College extend sincerest sympathy to Senior Edmund Ashburner, Swissvale, Penna., upon the death of his wife, July 14.

Retreats Are Held For Lay Catholics

Fifty-five Catholic laymen, among whom were many alumni, made a retreat at St. Joseph's the week-end of Aug. 8.

Most of the retreatants were from northern Indiana, with the greatest representation from St. Mary's parish in Dunnington and Holy Name parish in Cedar Lake.

The retreat, directed by the Rev. Marcellus M. Dreiling, '30, was the first of three scheduled to be held on the campus this month. The Rev. Eugene Luckey, '26, of the Precious Blood Mission Band, is serving as retreat master.

Another retreat, for women, will be conducted from 6:30 p. m., Aug. 21, to 4:00 p. m., Aug. 23. Registration is now closed for this retreat.

The last retreat, for men, is still open, without geographical restrictions. It will begin at 6:30 p. m., Aug. 28, and continue until 4:00 p. m., Aug. 30.

Louis T. Rossi, Academy '47, served as best man for his twin brother. Eugene Walker, '52, of Charleston, W. Va., and Robert English, Paul Deger and Kelly Smith, all of Middletown, Ohio, served as ushers and bridegroom attendants.

A wedding luncheon was served for the bridal party and guests in the St. Joseph's College dining room.

After a three-week motor trip through Canada and the East, the couple will be at home in St. Anthony, Ohio, where Mr. Rossi will assume duties as grade school principal.

After Mr. Rossi's graduation from St. Joseph's in 1951 and his tour of Army duty, he did graduate study at Miami University, Oxford, Ohio.

Mrs. Rossi was graduated from Holy Name Academy, Beaver-ville, Ill., and received the Bachelor of Arts degree from Rosary College, River Forest, Ill., last June.

ENSIGN THOMAS M. CRAWFORD, '51, of Ironton, Ohio, was among the 850 students at the Officer Candidate School, Newport, R. I., who received commissions July 10. (Continued from Page One)

States as a youth, he continued his high school and college studies at St. Joseph's College and completed his training for the priesthood at St. Charles Seminary, where he was ordained June 11, 1907.

For a short time after his ordination Father Hartman was engaged in parish work in St. Peter, Ohio, and in Indianapolis and Dunnington, Ind.

Except for the 1916-17 school periods when he was absent for graduate study, Father Hartman was on the faculty at the college from 1908 until he was retired in the fall of 1948 with the rank of professor emeritus. He was then assigned to Brunnerdale Seminary, Canton, Ohio.

In 1917 Father Hartman received the master of arts degree from Catholic University of America with a major in Greek and minors in Latin and Indo-European Philology.

In 1936 his "A Textbook of Logic" was published by the American Book Company, becoming widely used as a classroom text. Several years ago the American Book Company also published his "Compendium of a Textbook of Logic."

Gary Boy Awarded Lake Scholarship

Bernard Balas, Gary, 1953 graduate of Bishop Noll high school, Hammond, has been awarded a scholarship to St. Joseph's valued at \$1,000 and given by the Lake County Chapter of the Alumni Association.

The announcement was made by James J. Buckley, Whiting, president of the Lake County chapter. This is the first award from the chapter's newly created scholarship fund. The check was presented to the Very Rev. Raphael H. Gross, president, at the April dinner meeting of the chapter.

Salutatorian of his graduating class, Balas maintained honor ratings during each of his four years there. He attended Holy Trinity elementary school, Gary.

At Noll high school he rated membership in the National Honor Society and belonged to Tri-Opus and Bi-Phy-Chem associations.

Alumni Secretary Assumes New Duty

The Alumni Association's new secretary, Randy Decker, reported for duty last month and is planning a busy year, hoping to get acquainted with as many members as possible.

Mr. Decker came here from College University in Hamilton, N.Y., bringing his wife and two children, Kip and Margaret. They live in the house belonging to "Butch" Jones, '39, in Rensselaer at 102 Sparling Ave.

A graduate of the University of Missouri, Mr. Decker has done a good deal of newspaper and radio writing, as well as teaching from grade school to college. A veteran of six years with the U. S. Navy, he spent two years since World War II in the Pentagon, doing public relations writing for the Department of Defense.

Also sharing his time while at St. Joseph's will be the News Bureau, which he will direct, and a class or two in Journalism and Technical Writing. He replaces Tom Scheiber, '47, who resigned to accept a position on the Advertiser-Tribune in his hometown of Tiffin, Ohio.

Area Farmers Meet; Visit Gehring Farm

About a thousand farmers from northwestern Indiana met on the campus Aug. 4 and 5 as part of an annual tour sponsored by the Indiana Farm Management Association.

Part of the group attended a dinner-meeting Tuesday evening, Aug. 4, in the college dining room at which J. B. Kohlmeyer, of the Purdue university Agriculture Economics department, was the principal speaker.

After luncheon at the college Wednesday, the farmers toured to the 5550-acre corn, potato, onion, and mint farm of William M. Gehring where they saw demonstrations of mechanized farming and controlled drainage. The crop there includes nearly 3,000 acres of corn, 850 of potatoes, 550 acres of mint, and 140 of onions.

Mr. Gehring's son, William L., is a student at St. Joseph's and is a member of the varsity basketball squad.

Puma Baseball Stars Win
Hig Honors in ICC Play

St. Joseph's baseball players came in for their share of the individual honors in 1953 Indiana Collegiate Conference competition in addition to taking the team batting title for the second straight year, according to information from the league publicity office at Valparaiso university.

Coach Jim Beane's Pumas finished second in the conference race with a 5-1 mark behind Valparaiso, whose Crusaders captured their second successive title with a 7-1 record.

Slugging left fielder Bob Wasni of Chicago was named the conference's outstanding player in a vote taken among the league coaches at the close of the season. Wasni, who is also a tackle on the football squad, led the league in home runs with four and hit safely nine times in his 24 at bats for an average of .375. He led the league in runs batted in with 13.

First baseman Ralph Meyer of Leipsic, Ohio, won the ICC's individual batting title with a mark of .476 hitting safely 10 times in 21 attempts. The steady first sacker tied for a second in last season's individual batting race. In the field, Meyer accepted 46 chances without error. He scored 10 runs to lead the league in that category.

Both Meyer and Wasni were named to the 1953 all-ICC team picked by the coaches.

Bob Wasni

Willie Kellogg, Chicago, 5-8 shortstop and basketball star, led the league in triples with three. He and Wasni hold the all-time record in that department.

In taking the team batting title for the second straight year with a lofty .304, the Pumas averaged more than 10 hits a game. The team hit .301 in 1952 conference play.

Other Pumas to bat higher than .300 in the six league games are George Smolar, Whiting, Ind., .368; Kellogg and Don Normandt, both Chicago, both .333; and Bill Schulte, Park Hills, Ky., .312.

Bears Play Benefit Game;
Six Now St. Joe Alumni

The Chicago Bears figured big in St. Joseph's affairs during the first week in August.

Almost a thousand people and more than 500 dollars in net proceeds turned out for the benefit of St. Joe's the night of Aug. 6, when the "seven times world champions" played an intra-squad exhibition game on the Rensselaer High School athletic field.

The previous day, at a kick-off dinner commemorating the tenth year of Bears' pre-season training here, six members of the organization who have summered at St. Joseph's all ten years were presented honorary memberships in the St. Joseph's Alumni Association.

The dinner, given for the Bears, newsmen and other guests, was outstanding for its big T-bones and little speeches. The Rev. Richard Baird acted as master-of-ceremonies. Father Gross welcomed the group, expressing his and the college's appreciation for the many years of cordial relations between the two organizations.

In the name of the Alumni Association, Father Gross read the announcement of the admission of the six Bearmen to honorary membership. The new members are Coaches George Halas, Luke Johnsos and Paddy Driscoll; Trainer Max Swiatek, End Player

Ed Sprinkle and Publicitor Frank Korsch.

After a brief talk by Owner-Coach George Halas, most of the afternoon was spent on the athletic fields, where photographers from various metropolitan newspapers took hundreds of pictures of the Bears.

The benefit game, played the following night between two well-matched Bear teams, the "Orange" and the "Blue", resulted in a 28-17 score in favor of the latter. The players, contending for positions in the opening games of the season, gave local fans a worthwhile performance, an encouraging preview of the season ahead.

Chicago Prep Squads
Open Training Here

Three Chicago high school football squads will join the Chicago Bears in training on the campus in late August and early September, according to the summer schedule.

Squadmen from Leo high school will train here from Aug. 16 to 23 and will be followed by the St. Mel high school team from Aug. 23 to 29. The Holy Trinity high school squad will practice on the campus from Aug. 25 to Sept. 5.

Indiana's Firemen Meet at St. Joseph's

Several hundred members of the Indiana Volunteer Firemen's Association attended their annual convention Friday and Saturday, June 19 and 20, on the campus. Rensselaer firemen were hosts for the affair.

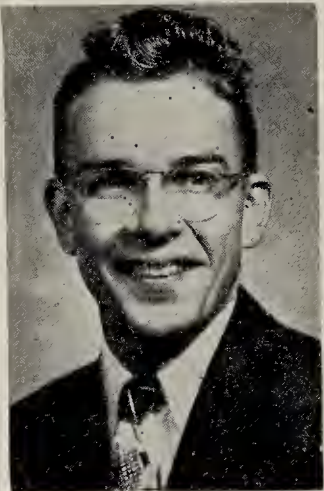

Delegates resided in Seifert hall during the convention, held their meetings in the college theatre, and attended their annual banquet in the college dining room.

The two-day meeting was climaxed Saturday afternoon with a parade through downtown Rensselaer featuring five bands and drum corps from northern Indiana and numerous pieces of modern and dated fire-fighting equipment.

Robert E. Braithwaite Dies in Korea Action

Army Lieutenant Robert E. Braithwaite, graduate of the class of 1951, and a native of Chicago, was killed in action in Korea July 14, according to information received at the college.

Lt. Braithwaite had received his

commission at Fort Benning, Ga., Oct. 10, 1952.

At St. Joseph's he majored in English-journalism and was a member of the staffs of *Stuff*, *Phase*, and *Measure*. He was sports editor of *Stuff* in his senior year.

He was a member of the varsity tennis squad and also of the Monogram club for varsity lettermen. As a senior he was named to the 1951 edition of *Who's Who Among Students in American Colleges and Universities*.

A 1947 graduate of Leo high school, Chicago, Lt. Braithwaite was the son of Mr. and Mrs. R. T. Braithwaite, 7738 Merrill Ave.

Help Wanted

Before long all members of the Alumni Association whose addresses are known here will be receiving information forms to be filled out and returned to the Alumni office at St. Joseph's.

It has been a long time since the files have contained a detailed, up-to-date summary of the activities of each alumnus. But such information is of tremendous importance if the folks at St. Joseph's are to do the best job possible. They need the aid of the alumni; they need to know what you are doing and what you feel they should do—your judgment and your experience will help provide a more stable base for St. Joseph's future.

The questions asked are not meant to pry into your personal affairs. But from the replies it is hoped to pattern for the College and for the Alumni progress that will be increasingly helpful. This will be successful only in the ratio of returns received.

Three Retreats Held Early in Summer

Fifty-seven priests and the Most Rev. John G. Bennett, bishop of the diocese, attended the annual retreat for Lafayette diocesan priests on the campus June 7-10.

Other early-summer retreats included the Christian Brothers of Ireland, who teach at Leo high school, Chicago, June 11-19; and the Alcoholics Anonymous, June 12-14.

Indiana Servers Hold 11th 'Day'; Bishop Attends

Altar boys from St. John parish, Whiting, Ind., went home with the all-events trophy as a result of their high point total in contests at the 11th annual Servers' Day on the campus June 25.

The Most Rev. John G. Bennett, bishop of Lafayette, attended the all-day picnic and presented Ad Altare Dei awards to four of the group who are Boy Scouts for advancement in the spiritual phase of the Scout program.

About 700 altar boys of grade and high school age representing 36 parishes in northern Indiana participated in the outing, attendance at which was affected by stormy weather conditions.

Bishop Bennett closed the day with benediction, after which he announced the contest winners and presented their trophies.

Events included swimming races, track, field, and novelty events, and a softball tournament.

Barns are news at St. Joe this summer. At top, Father Frank Hehn surveys remains of a 40' by 120' hay barn demolished July 1 by high winds. Lost was a valuable hay crop. At bottom, new dairy buildings far west of the main campus will soon replace the big 54-year-old landmark just west of the campus proper, thus making way for future campus expansion.

Summer Improvements Include Installation of New Boiler

Included in the summer improvements at St. Joseph's are the installation of a new boiler in the power plant and the removal of an old two-level fish pond, in disuse for several years.

The boiler, a 268-horsepower unit with a rated capacity of 530 horsepower, will produce more power than could the three smaller boilers previously in use combined. Two of the old boilers will be

retained for standby use.

Manufactured by the Erie City Boiler company, the new water-tube unit will have a chain-grate stoker. Installation will take place as soon as the boiler arrives, in late August, and will require about six weeks. Cost is about \$45,000, according to the Rev. Joseph A. Otte, treasurer of the college.

Largest Group of Sisters Attends Summer School

Eighty-two sisters from 17 parochial schools and colleges throughout the Midwest and Canada are among the 95 students who attended the six-week summer course at St. Joseph's College.

The sisters, representing 15 teaching orders, comprised the largest group of nuns yet to attend St. Joseph's for summer work. In 1952 the total was 75.

Many of the sisters were particularly interested in the college's two-year-old summer program in theology.

Following are the orders of sisters and motherhouses represented here, the city from which sisters were attending the summer session, and the number attending:

Society of the Precious Blood, Dayton, Ohio, 23; Sisters of Charity, Blessed Virgin Mary, Dubuque, Iowa, 8; School Sisters of Notre Dame, Milwaukee, Wis., 2; Order of St. Benedict, Chicago, Ill., 3; Congregation of Our Lady of Lourdes, Order of St. Francis, Oldenburg, Ind., 2; and Sylvania, Ohio, 7; Adorers of the Precious Blood, Wichita, Kan., 3; Order of Preachers, Springfield, Ill., 6; Sisters of St. Joseph, Chicago, Ill., 3; and Wichita, Kan., 2.

Also, Franciscan Sisters of Perpetual Adoration, LaCrosse, Wis., 2; Congregation of Notre Dame, Montreal, Canada, 3; Congregation of the Holy Cross, Montreal, Canada, 2; Sisters of St. Joseph, Tipton, Ind., 6; Sisters of the Holy Ghost, Techny, Ill., 2; Sisters of the Sacred Heart of Mary, Beaverville, Ill., 6; and Sisters of the Institute of the Holy Cross, Merrill, Wis., 2.

Staff Members Visit Prospective Students

Visiting of prospective students by members of the St. Joseph's College staff is nearing completion, the Rev. Richard P. Baird, admissions counselor, has said.

Ralph A. Neff, Jr., Oak Park, Ill., a member of the 1953 graduating class here, has completed contacting prospective applicants in the Chicago area.

Michael E. Davis and Paul E. Kelly, of the faculty, are visiting young men in the remainder of Illinois, Indiana, Michigan, and Ohio.

New Students Slated To Report on Sept. 8

New students at St. Joseph's College are to report on the campus not later than 5 p. m., central daylight time, Tuesday, Sept. 8, and should be ready at that time to take up permanent residence, according to the Orientation Week program.

Although returning students will not arrive until Monday, Sept. 14, and classes will not begin until the next day, freshmen are scheduled for placement tests, educational guidance, physical examinations, registration, and other enrollment activities throughout Orientation Week.

A recreational program is planned for the week.

A cluster of northern Indiana altar boys, among the 700 here for Servers' Day, June 25, wait to get into the pool. This was the 11th annual outing of this sort held on the campus.

Xavier Hall during the coming year. The oldest son to follow in dad's footsteps toward St. Joseph's was Mark, ex-'42, who is now a member of a surgery clinic at Knoxville, Tenn. **Con** Jr., '46, is now in his senior year at the Marquette Univ. school of dentistry, and recently stopped for a visit with old friends and also to see how young brother Roger is accustoming himself to St. Joseph's campus . . . From none other than his private secretary, the Mrs., we learn that past President of the Alumni Association, **Bernard F.
